CASE MANAGEMENT ORDER NO. 12
(Plaintiffs' Common benefit Time and Expenses Submissions)

The Court has been advised that, at the conclusion of this MDL and/or resolution of the Fosamax litigation, the members of the Plaintiffs Steering Committee will submit a claim to the court for common benefit fees and expenses to be paid out of the common benefit fund derived from MDL assessments imposed upon Fosamax recovery. *See* MANUAL FOR COMPLEX LITIG., 4TH, § 14.12. In order to ensure that attorney time and expenses inuring to the common benefit are being contemporaneously recorded and submitted, the PSC has requested a CMO detailing certain guidelines pertaining to what qualifies as a common benefit expense and how to record common benefit time. With no objection from Defendant, this Court accordingly ORDERS as follows.

Reimbursement for costs and/or fees for services of all plaintiffs' counsel performing functions in accordance with this order will be set at a time and in a manner established by the Court after due notice to all counsel and after a hearing. The following standards and procedures are to be utilized by any counsel seeking common benefit fees and/or common benefit expense reimbursement.

A. General Standards

1. All time and expenses submitted must be incurred only for work authorized by the Plaintiffs' Steering Committee.
2. These Time and Expense Guidelines are intended for all activities performed and expenses incurred by counsel that relate to matters common to all Plaintiffs in MDL 1789.
3. Common benefit time and expense submissions must be submitted on the attached forms approved by the Court. See:
 - Attachment "A" - Monthly Time Detail Report
 - Attachment "B" - Summary Report of Member Firm Time
 - Attachment "C" - Common Held Costs And Expenses.
4. Reports will be provided to Plaintiffs' Steering Committee's administrative subcommittee on a monthly basis. These reports will include both time and expenses and will summarize, with back-up detail, the submissions of all firms.
5. Time and expense submissions (to include Attachments A, B & C) must be submitted timely, on a monthly basis, as indicated below so they can be reviewed, compiled, and audited for ultimate submission to the Court. It is therefore essential that each firm, on a monthly basis, timely submit its records for the preceding month.
6. All submissions shall be transmitted electronically to airpino@louisianalegal.com or in hard copy to Plaintiffs' Administrative Sub-Committee c/o Anthony Irpino, 365 Canal Street, Suite 2290, New Orleans, LA 70130. If hard copy submissions are made, an original and one duplicate copy must be provided.

7. The first submission is due on October 15, 2007 and should include all time and expenses through September 30, 2007. Thereafter, time records shall be submitted on the 15th of each month and shall cover the time period through the end of the preceding month.

B. Time Reporting

1. Only time spent on matters common to all claimants in MDL 1789 will be considered in determining fees. No time spent on developing or processing any case for an individual client (claimant) will be considered or should be submitted. Moreover, even if the time is spent on matters common to all claimants in MDL 1789, such time spent has to be assigned and authorized by the Plaintiffs' Steering Committee.

2. All time must be accurately and contemporaneously maintained. Time shall be kept according to these guidelines and specifically by way of the forms provided - Attachments A & B. All counsel shall keep a daily record of their time spent in connection with this litigation, indicating with specificity the hours, location and particular activity. Such daily records shall be compiled into the form as shown in Attachment A, and submitted as described above. The failure to maintain and submit such records, or an insufficient description of the activity, may result in a disallowance of common benefit fees. All firms shall also complete and submit a summary of their firm's time spent in connection with this litigation (Attachment B). The failure to complete and/or submit such a report, may result in a disallowance of common benefit fees.

3. All time for each firm shall be maintained in quarter-of-an-hour increments (e.g., 1 - 15 minutes = .25 hrs., 16 - 30 minutes = .50 hrs., 31 - 45 minutes = .75 hrs., and 46 - 60 minutes = 1.00 hr.). Failure to do so may result in time being disallowed.

4. All time records shall be submitted together with a form summarizing the total of member firm time broken down by each separate name of time keeper and Litigation Task Definition the time spent during the preceding month and the accumulated total of all time incurred by the firm during the particular reporting period. This information shall be recorded on the summary report, Attachment B hereto.

5. The summary report form shall be certified by the responsible attorney each month attesting to the accuracy and correctness of the monthly submission.

C. Expense Reporting

1. Advanced costs will be deemed as either "Shared" or "Held."

a. Shared Costs are costs that will be paid out of a separate PSC MDL 1789 Fund established by the Plaintiffs' Steering Committee and to be funded by all members of PSC.

b. Held Costs are those that will be carried by each attorney in MDL 1789 and reimbursed at the conclusion of this MDL.

2. Each member of the PSC and any others as set forth in section (1) above will contribute to the PSC MDL 1789 fund at times and in amounts sufficient to cover the administration of the MDL. The timing and amount of each litigation fund assessment will be determined by the PSC.

3. Shared Costs are costs incurred for the common benefit of the MDL as a whole. No client-related costs can be considered as Shared Costs. All costs of a substantial nature that meet these requirements and fall under the following categories shall be considered Shared Costs and qualify to be submitted and paid directly from the MDL account.
